

Your Business Domain Name Checklist

1. Write up to four proposed Domain names for your business

Proposed Domain Name	Business Name Check	Trademark Check	URL in Google Check

If you cannot get the .com or .com.au what are the alternates will you use e.g. - .net, .biz, .xyz
Write down at least 3 alternatives to your .com dream.

Before you get to the checkout to buy your domain name do you want privacy protection (and pay for the privilege) included. I don't have this on mine and i get on average at least 1 phone call a day.

Do you want privacy protection? - Circle your Option

Yes - I really want my privacy (recommended)

No - I want every web developer in the world to ring me and offer their services everyday

Note - You will need to check this is enable in the checkout process.
